

Temporary Fencing

Surrounding You with Your Erection and Hire Needs

GHS Solutions are the leaders in temporary fencing erection and hire. From civil construction to housing sites, to sports events, music festivals and concerts, mine sites to marine facilities, GHS Solutions has the solution for you.

Our experienced team works closely with you to tailor a temporary fencing solution to suit your needs, with an excellent understanding of compliance, health, safety and environment issues; cost constraints, scheduling timeframes and deliverables. Through the GHS Solutions accredited system of management, certified to ISO 9001:2008 for Quality and AS/NZS 4801:2001 for Safety, you can depend on GHS Solutions to deliver a safe and reliable, quality controlled solution.

GHS Solutions has a range of temporary fence panels, from 3m long light framed fence panels, to 48mm heavy duty security fence panels, or crowd control barriers, we can meet your needs. Should site dust or visibility suppression be required, GHS Solutions stocks heavy duty bracing units to suit the strong winds of regional WA and a full range of containment sheeting material. This includes hoarding panels, 100% block out sheeting, UV resistant shade cloth, or economical dust suppression material.

When planning your next job, don't rely upon the rest, rely upon the best.
